Omaha, Nebraska, 68114

Dear Rolland;

This is to confirm your reception of our station, WFME-FM, 94.7 MHZ. Newark, New Jersey, from 5:50 PM to 6:00 PM EDT on July 31, 1977. Our studios, offices and transmitter are located at 289 Mt. Pleasant Ave, in West Orange New Jersey. We have a Collins 831 G-1 20KW stereo transmitter as a main, which we run at 14 kw. We also have a RCA BCP-5B circularly polarized antenna, which gives us an effective radiated power of 36 kw., with a radiation center 570 feet above average terrain. WFME is a non-commercial, christian broadcast station, owned and opperated by Family Stations Inc. In addition to the stations listed at the bottom of the page, Family also owns KYFR, 920 AM in Shenandoah Iowa, and has filed an application to purchase KFOX, 1280 AM in Long Beach California. Please find enclosed a bumper sticker and coverage map.

Sincerely:
Family Stations Inc.

Alan W. Parnau
